🚗 Overall Health Report Executive Summary

At AutoTrade24, we inspect cars thoroughly across 300+ rigorous checkpoints. This 2023 Mercedes-Benz E300 has been verified as **non-accidental, non-flooded, and non-tampered**.

- The engine and 9G-Tronic transmission are in optimal working condition with zero oil blow-by or DTC fault codes.
- The exterior has factory-original paint across all structural pillars and roof; right front fender received a cosmetic clearcoat blend (215 µm).
- The interior is in immaculate condition with authentic Nappa leather seats, working panoramic sunroof, and 360-degree cameras.
- Overall, this vehicle is graded **Grade A+ (Excellent Condition)** with no critical mechanical remediation required.

Total Estimated Remediation & Value Assessment

Professional cost estimation to restore identified cosmetic/routine items to showroom condition.

TOTAL ESTIMATED COSMETIC & ROUTINE REMEDIATION

AED 1,850

Total Imperfect / Minor Items: 3 (Zero Critical Mechanical Defects)

CATEGORY / DEFECT AREA	IMPERFECT PARTS	RECOMMENDED ACTION	EST. COST (AED)
Exterior & Body Panels	2	High-speed multi-stage compound polishing & detailing	AED 750
Engine & Routine Maintenance	1	Routine 45,000 KM synthetic oil & filter change	AED 500
Alloy Wheels & Minor Detailing	1	CNC Rim diamond-cut touchup for minor scuff	AED 600
TOTAL ESTIMATED VALUE INVESTMENT	3	Full restoration to 100% pristine showroom condition	AED 1,850

AutoTrade24 Inspector Valuation Verdict:

Given the pristine health of the chassis, engine, and transmission, an investment of AED 1,850 in cosmetic polishing and routine oil service elevates this vehicle to a top-tier retail market grade, yielding a projected retail turnover value of **AED 195,000+** across UAE dealerships.
